“An Asthma and Allergy Friendly Program”

February 9, 2011

Dear Current Students and Families:

As we look to our eighth year together, we would like to open registration to current students for the 2011-2012 school year starting February, 2011. We allow current students to register first to make sure we can accommodate those families that have been with us before we open registration to the general public. This is done in an effort to allow you to have first choice of class times. In the past, our classes have filled up quickly and we want to make sure you have the opportunity to have your child in the class you choose. Open registration for the general public will start February 28, 2011. The registration fee for next year will be \$200 per student. This fee covers both the preschool program and the ECD room. Checks may be made payable to “St. Stephen ECD and Preschool, Inc.”

The annual calendar, open house and orientation information will be sent to you as soon as it is available. Tuition rates have not been set for next year – however, as in the past, we will do our best to keep tuition at or near current rates. We will have more information about tuition rates after registration is complete. Also, please note that registration fees are NON-REFUNDABLE, so please be aware of this before you register your child.

As always, thank you for choosing our program for your child’s educational needs. We look forward to seeing you!

Sincerely,

Laura A. Schulte

Program Director

Please return the form below to any staff member with your registration fee.
